Mon Amour

Couplet 1

Come and buy my flowers, please, come and buy a rose
For the life I lead, forgotten and alone

Alt 2e: For you'll find my spirit a pining
Like these flowers in June now a shining

Sopraan 2e: Follow me my love, one day I'm sure I will
All alone, if faith's on my side

2x Refrein (Engels) (Sopraan 1e, Alt 2e)

Mon amour, you are my rose
You will never fade away
Always shall my love endure
Mademoiselle d'amour

Couplet 2

Everybody knows her, everyone can see
She's the finest flower girl, that will ever be

Alt 2e: Mademoiselle, oh how I adore you
Sopraan 2e: Will you be my friend

1x Refrein (Engels) (Sopraan 1e, Alt 2e)

Mon amour, you are my rose
You will never fade away
Always shall my love endure
Mademoiselle d'amour

All alone, if faith's on my side

Qui ne va jamais passer
Je t'adore de jour en jour
